#### **THE KITCHEN**

**FOLLOW YOUR APPETITE. GRAZE FROM THE GARDEN, COOK OVER FIRE, ENJOY A LIGHT SUMMER SALAD OR GO ALL OUT.**

A good menu is full of character. The earthy sweetness of just-pulled roasted beetroot, a slow cooked shoulder of lamb with a pinch of red chilli, native lobster served with tarragon, sea bass paired with mint, wood-fired chicken with lemon and marjoram. Relax and eat well. Our chefs serve predominantly british food with mediterranean influences - plant based with a sprinkling of protein. Everything can be picked from the walled garden and made to order.

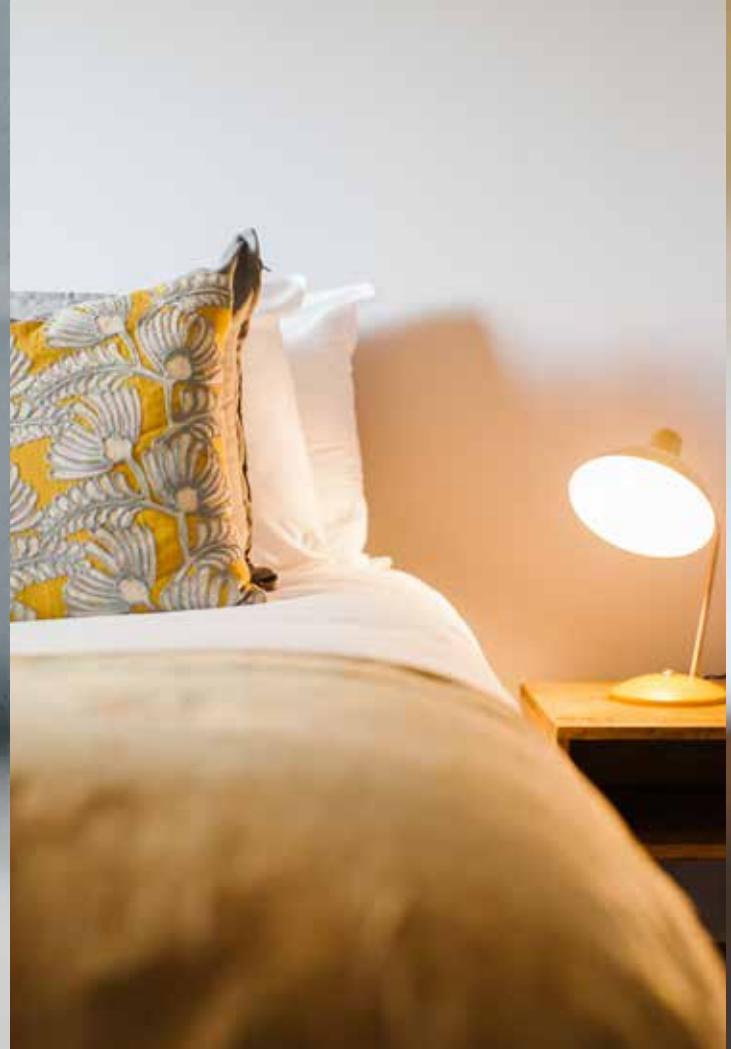

{ COLOURFUL. BEAUTIFUL. DELICATE. }
